We need to ensure that Paige understands the limitations associated with this approval and the consequences for not meeting the requirements.

Thanks
Ronnie

James,

Both of Paige's requests have thorough justifications which outline the benefits to the agency, so I support approval of the requests as submitted.

Please advise.

James,

Attached are two Authorization Forms requesting the use of a GOV from home to a site (FJ Doyle). This site is in Leonard, Texas, which is about 60 plus miles northeast of Dallas. Paige Delgado is requesting to take a GOV from home to the site 11/5 – 10/18 and 11/13 – 17/18. Let me know if you have any questions.

Thanks,
Ronnie
